

PROCESS TO RECEIVE SERVICES THROUGH AUTISM SOCIETY OF NORTH CAROLINA OR TEACCH®

*Necessary to be a LiNC-IT Participant

1

FILL OUT A LiNC-IT APPLICATION

After that, you will be connected with a counselor from ASNC or TEACCH®, who will help with the next steps. Those organizations can help fast track the process.

AUTISM SPECTRUM DISORDER (ASD)

One needs an official ASD diagnosis to be a LiNC-IT participant. Vocational Rehabilitation (VR) and TEACCH® can potentially help one get an Autism Spectrum Disorder diagnosis.

2

3

VOCATIONAL REHABILITATION

Call your local Vocational Rehabilitation (VR) office and indicate your interest in employment through LiNC-IT. To find your local office click [here](#).

CONTINUE VR PROCESS

Your VR counselor will meet with you a few times and determine your eligibility for services. If you are eligible, you and your VR counselor will develop your Individualized Plan for Employment.

4

5

CONNECTION TO ASNC OR TEACCH®

Your Individualized Plan for Employment will likely include a referral to ASNC or TEACCH.

MEET WITH YOUR JOB COACH

They can help you with your resume, practice interviewing, and identifying potential jobs from employers who are not a part of LiNC-IT. You can meet with your job coach multiple times.

6

7

WAIT FOR JOB OPPORTUNITIES

If a company contacts LiNC-IT about a relevant internship or job opportunity, your resume may be submitted. You may be invited to interview for the position.
