

BIOTECHNOLOGY SUMMER CAMP FOR AUTISTIC STUDENTS

Join us for a specialized summer program designed for autistic high school students. Explore soft skills, biotechnology labs, and demos from local partners.

JUNE 24-27, 2024 / 7:45 AM- 1 PM
JOHNSTON COUNTY WORKFORCE DEVELOPMENT
CENTER, CLAYTON, NC

Why attend?

- Soft skills training
- Biotechnology lab activities
- Demonstrations from local biopharmaceutical manufacturing partners.

This camp is for rising high school seniors and 2024 high school graduates and supports will be provided for individuals who identify on the Autism Spectrum.

*Prerequisite- Successful Completion of Math 1
